## ...For women and men

Corporate wear must be anything but boring!

That's why Heinrich Knievel offers a Corporate Wear „Mix and Match“ range for different sectors:

### Corporate Wear - Collection

14 different jackets, blazers, skirts, trousers and waistcoat options in various colors and designs are the basis of the Heinrich Knievel Corporate Wear „Mix and Match“ range.

The designs and colors can be combined in various ways and they thus offer the best prerequisites for the creation of individual Corporate outfits. Matching accessories optimize the outfit options for both women and men.

These are all important prerequisites for the communication of a company's corporate image, both internally and externally.

Heinrich Knievel Gastro Moda offers a range for the following sectors:

- Service - Bistro - Cuisine

which satisfies all your requirements.

Everything is possible

The refined color range offers particularly attractive combination options, which facilitate the highest possible degree of individuality for company outfits when combined with embroidered details.

## Service

We can attend to your personal needs with great flexibility.

The most modern computerized production sites always ensure the highest quality. We can guarantee prompt delivery and long-term availability of our products. Embroidered names or motives as well as worked-in designs give a special appearance to our textiles.

This is a form of exclusivity which every customer appreciates.

We are happy to inform and advise you individually with regard to the many possibilities of weaved-in and embroidered details. This is also applies to our special sizes and colours. Just tell us about your wishes – nothing is more important to us than your satisfaction.

Of course our sales team is ready to help you any time, to demonstrate our sample collection or to help you with your selection.

Just contact us.

## Dear Amicalists,

*it is with pleasure to confirm that the German company “Heinrich Knievel OHG”, has been on the Baltic market for a long time. Kiel in Germany is their home base, but also is Kiel the Twin City to Tallinn and both cities share a lot of common Hanseatic League history.*

*“Heinrich Knievel OHG” is committed to excellent and personalized service and was very interested to support the AICR Estonia and our International Congress from the moment they knew about our big event! It is my heartfelt interest to say “Thank You” for their sponsorship, and I hope that your companies will enjoy their products and services soon as we did in our new Hotel Telegraaf & The Three Sisters in Tallinn.*

Michael Stenner

AICR International President & General Manager, Hotel Telegraaf & The Three Sisters

*I appreciate the flexibility of your company, the personal committment and the delivery prompt.*

» Was vor 5 Jahren sehr zaghaft begann, hat sich zu einer festen Zusammenarbeit mit freundschaftlichen Banden entwickelt. Die hanseatische Knievel OHG in Kiel und die Kolonna Hotels Group in Riga, sind zu festen Partnern zusammen gewachsen. Bei den Firmen sind höchste Qualität und außerordentlicher Komfort wichtig. Die deutsche Firma punktet hier bei Gästen und dem Personal gleichermaßen. Tischdecken, Bettwäsche, Dienstkleidung, Handtücher und Bademäntel sind pflegeleicht und von perfekter Qualität. Auf weiterhin gute Zusammenarbeit! «

Magarita Platace

Kolonna Hotels Group, Lettland

» Being the leading carrier in the region, airBaltic attempts to offer only the best for the clients and employees.

The cooperation with "Heinrich Knievel OHG" has proved very successful in reaching these goals - the combination of an excellent quality, prompt delivery and personal approach is indeed highly appreciated «
